Spare Soles Shoe Size Guide

1. Print this sheet on A4 paper. (Do not scale, print at 100%)
2. Place the heel of your foot at the red arrow.
3. Look at where the tips of your toes are to determine your shoe size.
4. If it is in between two sizes:
 - a) Go for the bigger size if you are buying Spare Soles Original or Diamond
(Eg. If the tips of your toes are between S & M size, please go for M size; If the tips of toes are between M & L size, go for L size)
